

NOTICE OF INVITATION FOR BIDS
Green Cove Creek Habitat Restoration Project #2026-08

Bids for the following project will be received until 10:00am June 29th, 2026, via email at katrinka@thurstoncd.com. There will be a mandatory pre-bid meeting on Thursday, June 18th, 2026, at the project site starting at 3pm. This project is subject to prevailing wage requirements per RCW 39.12.020, and award of this project is contingent on final grant funding approval.

Attendance at the pre-bid meeting is mandatory to submit a bid for this contract.

All prospective bidders must attend a mandatory site visit. Bids will not be accepted from any bidders not present at the mandatory site visit.

Plans, specifications, addenda, proposal forms, bidders list, and plan holders list for this project are available through the **Thurston Conservation District** on-line plan room. Free-of-charge access to project bid documents (plans, specifications, addenda, and Bidders List) is provided to Prime Bidders, Subcontractors, and Vendors by going to www.bxwa.com and clicking on "Posted Projects", "Public Works", and "Thurston Conservation District". This online plan room provides Bidders with fully usable online documents with the ability to: download, view, print, order full/partial plan sets from numerous reprographic sources, and a free online digitizer/take-off tool. It is recommended that Bidders "Register" in order to receive automatic e-mail notification of future addenda and to place themselves on the "Self-Registered Bidders List". Bidders that do not register will not be automatically notified of addenda and will need to periodically check the on-line plan room for addenda issued on this project. Contact **Builders Exchange of Washington** at [\(425\) 258-1303](tel:425-258-1303) should you require assistance with access or registration.

Green Cove Creek Habitat Restoration Project

Project Description

This project provides construction of the Green Cove Creek Habitat Restoration Project in accordance with the attached plans and special provisions.

The Project involves implementation of the following elements:

1. Removal and disposal of 6-8 abandoned ecology block bridge abutments
2. Placement of two logs with rootwads attached (staged at site and supplied by TCD)
3. Removal and disposal of asphalt and roadbed material as described in the plans
4. Procurement and placement of mulch as described in the plans
5. Procurement, haul and stockpiling of mulch as described in the plans.
6. Site Restoration

Engineer's Estimate (Construction Work Only): \$28,000-\$39,000

Bid Evaluation Process

The Bidder shall demonstrate to the satisfaction of Thurston Conservation District (TCD) that the Bidder and their Subcontractors are qualified to perform the work under this Contract and therefore are a responsible Bidder. To be responsible, the Bidder, including the General Contractor

and their subcontractors, must demonstrate an appropriate level of experience, technical competence, and successful past performance of work. The information requested below will assist TCD in making such determination.

In the event TCD finds the Bidder's qualification information lacking or if TCD determines that the Bidder, including the General Contractor and subcontractors, are not qualified, TCD may reject the Bidder, meet with the Bidder, request additional information, and/or allow the Bidder opportunity to correct the deficiency by (1) providing additional information and/or (2) proposing other project personnel or subcontractors, and/or take other appropriate measures. Timeliness of Contract Execution is critical to success of this project; therefore, TCD may give a Bidder limited or no opportunity and time to remedy a matter(s) of responsibility before rejecting the bid and going to the next low bidder. TCD reserves the right to accept or reject bids on each item separately or as a whole, to reject any or all bids, to waive informalities and to contract as to the best interest of the Thurston Conservation District. Such decisions are in the sole discretion of TCD.

Minority and Women's Business Enterprises (MWBE) are encouraged to participate in the bidding as prime contractors, subcontractors, or suppliers.

Technical Questions regarding this project should be submitted via email by June 23rd, 2026 to Katrinka Hibler, katrinka@thurstoncd.com.
